THE HOPE CAR BED™
A car bed specially designed for children with special health care needs.

FEATURES

*DENOTES STANDARD FEATURE (A SMALL & LARGE CUMMERBUND AND SMALL RESTRAINT BAG IS STANDARD)

CUMMERBUND*

For use with the restraint bag or the 3-point harness, the cummerbund helps keep the child secure. Small and large size come standard with the purchase of a Hope Car Bed.

RESTRAINT BAG*

The restraint bag is easy to use and securely attaches to the car bed. Small size is standard, but a large size is available.

3-POINT HARNESS*

The adjustable 3-point harness can be used with the large cummerbund in the supine or prone position for infants weighing between 10-35 lbs.

LEVELING WEDGE

The leveling wedge is available for leveling the car bed in vehicles that have a more severe slope or if leveling straps are not being used. (Leveling straps come standard.)

Hope Car Bed with small restraint bag and small cummerbund installed.

SIDE-FACING RESTRAINT BAG

Small and large side-facing restraint bags are available for children who require being laid on their right side.
